Meeting Planners' Glow about Sheryl's Programs for their Attendees!

As Program Chair, I booked Sheryl Roush for our opening keynote speech. Sheryl had come highly recommended by one of our Board members at UCLA. After all the things they said about how good she would be, I had pretty high expectations. She exceeded my expectations! She was great. Sheryl customized the presentation for our group to a greater extent than we have ever had from any other speaker. Our theme was "Setting the Bar Higher" and she did a fabulous job of incorporating our theme and setting the right tone for the conference.

- John C. Garner, CEBS, CLU, CFCI, CMC, Western Claim Conference

Your presentation changed the life of several women in the audience. The attendee evaluations picked you #1 speaker!!!!!!!!!!!!

- Sheila McDonnell, Producer, Women in Business Symposium

You were really great! I don't know if I have ever had the occasion to meet a person that was as dynamic, organized, personable, friendly, thoughtful, structured, passionate and great as you proved to be yesterday, it was truly a wonderful experience. Your attitude is contagious and you are sincerely appreciated from our little old Oklahoma perspective. I cannot say thanks enough! Sheryl, thank you for lifting our spirits, making our All Staff the "best ever" (as I was told by numerous people) and giving our staff a very memorable occasion.

- Richard Pralle, CFO, Red Rock Behavioral Health Services

Sheryl's professionalism and enthusiasm are infectious! Her training has helped bring the management team of the Zoological Society to another level altogether, and we look forward to each new class she brings to our organization. I couldn't endorse her any stronger.

- Tim Mulligan, Chief H/R Director, Zoological Society of San Diego
